New Constitution and By-Laws - These are included in this Bulletin, along with a ballot to indicate your approval or disapproval. Please mark your ballot, sign it with your name and call sign, and either bring it to the next Club Meeting or mail it to Secretary Perry Esten, W6PN, 1141 Summit Road, Santa Barbara, CA 93108.

Clipperton Award - This award will be presented at the September meeting by last year's award winner Joe Merdler, N6AHU.

Door Prize - A door prize will be raffled at the September meeting. Raffle tickets are $1.00 each and may be purchased as you arrive at the meeting. SCDXC members only may participate in the raffle.

Support for ZL1AMO Kermedec Operation - Following the announcement in the September Bulletin, the SCDXC Board of Directors has recommended, for approval at the September meeting, to donate up to $400 for the purchase of a suitable beam antenna, linear amplifier, and/or keyer for the proposed operation.

First Annual SCDXC Country Chase - As announced in the last Bulletin, this intra-club contest is scheduled for a maximum operating time of 12 hours during the weekend of Oct. 3-5. First prize for each of the three categories will be a plaque plus one pre-registration for Visalia '82. Certificates for 2nd through 5th places will be presented. Contest rules were printed in the Aug. Bulletin but a limited number of copies of the rules will be available at the September meeting.

Visalia '82, Apr. 16-17 - Chairman Larry Brockman, N6AR is getting together a top flight committee for this annual gathering of the DX clan. If you have any suggestions or just want to help, give Larry a call. This is going to be a really big show.

SCDXC Member Frank H. Charters, W6DTE, a Silent Key - We are sorry to announce that we have just learned of the death on May 25 of Frank Charters, W6DTE, after a long illness. Frank's nephew, George Sinclair, K6ETM, has inherited his radio gear. George, as a teen-ager in Palos Verdes, learned much about ham radio from Don Wallace, W6AM. Frank's gear is in good hands.

September Bulletin Upstaged - Due to the necessity of publishing our Constitution and By-Laws, several regular features have been eliminated from this month's Bulletin. Also our generous contributors of Activity Reports have had 40% of their contacts deleted. Sorry about that!

Project Goodwill - Marty Woll, N6VI, reports that the $50.00 contribution made by SCDXC to send a transceiver kit overseas for the purpose of promoting amateur radio has been delivered to Mr. A. Hussain, Rawalpindi, Pakistan. We hope he becomes an amateur soon and that some of us can work him.

Southwestern Division Convention, Oct. 9,10,11 - Scottsdale, AZ has been selected as the site for the 1981 Southwestern Division Convention. It is being sponsored by ARRL and the Scottsdale Amateur Radio Club. For details contact Tom Hoyne, N6NI, or SARC Convention, P.O. Box 3073, Scottsdale, AZ 85257.

Wanted by Don, W6AM - 2 ea. 450TH tubes with all filament strands intact. Will pay $20.00 each. (Really now, all the filament strands?) Contact Don at home: 213-424-3459; work: 213-427-0924; ranch: 213-377-4120.
